Academy Sports + Outdoors Reports Record Third Quarter 2021 Results and Raises FY 2021 Guidance

Net Sales Increased 18.1%; 39.1% Growth over Two Years

Pre-Tax Income Grew 251.6% to \$205.3 million

Company Raises Full Year Diluted GAAP EPS Range to \$6.75 to \$6.85 from \$5.45 to \$5.80

KATY, TEXAS (Globe Newswire — Dec. 10, 2021) – Academy Sports and Outdoors, Inc. (Nasdaq: ASO) ("Academy" or the "Company") today announced its financial results for the third quarter ended October 30, 2021. Unless otherwise indicated, comparisons are to the same period in the prior fiscal year.

Third Quarter 2021 Results

For the third quarter, net sales increased 18.1% to a third quarter record of \$1.59 billion. When compared to the third quarter of 2019, sales increased 39.1%. Comparable sales were 17.9% on top of 16.5% last year, making it the 9th consecutive quarter of positive comparable sales. The Company continued to benefit from the strategic initiatives implemented to improve merchandise planning and allocation, operations, customer service and supply chain. As a result of these actions and the continued strong consumer demand for sports and outdoors products, all four product divisions saw significant growth. E-commerce sales grew 25.9% compared to the prior year quarter and 146.6% compared to the third quarter of 2019.

Gross margin increased 27.3% to \$560.8 million. The gross margin rate improved by 250 basis points to 35.2%. This growth was primarily driven by higher merchandise margins resulting from effective pricing and promotions management, a favorable product mix shift and fewer clearance sales.

Selling, general and administrative ("SG&A") expenses were 21.6% of sales, a 500 basis point decrease. Compared to the third quarter of 2020 adjusted SG&A, which excludes certain initial public offering costs, SG&A leveraged 230 basis points, primarily attributable to workforce management, marketing cost efficiencies and leveraging expenses from the growth of comparable sales.

Pre-tax income increased 251.6% to \$205.3 million compared to \$58.4 million.

GAAP net income was \$161.3 million compared to \$59.6 million. Diluted earnings per share increased 132.4% to \$1.72 compared to \$0.74 per share last year. Pro forma adjusted net income, which excludes the impact of certain non-cash and extraordinary items, increased 122.6% to \$164.1 million. Pro forma diluted earnings per share increased 92.3% to \$1.75 compared to \$0.91 per share.

"The Academy Sports + Outdoors team did a great job again delivering our 9th consecutive quarterly sales and profit increase," said Ken Hicks, Chairman, President and Chief Executive Officer. "We are confident that our strong assortment and value offering, coupled with our great store service, enhanced omnichannel capabilities, and resilient supply chain will enable Academy to continue to achieve excellent results through this holiday season and beyond."

Year-to-Date 2021 Results

Year-to-date, net sales increased 21.3% to \$4.96 billion, while comparable sales increased 21.2%. Year-to-date sales grew 43.5% compared to 2019. E-commerce sales declined 1.5% versus 2020 and increased 203.9% compared to 2019.

Gross margin increased 43.1% to \$1.77 billion. The gross margin rate improved by 540 basis points to 35.6%. This growth was primarily driven by higher merchandise margins resulting from effective pricing and promotions management, strong inventory productivity, greater product localization, fewer clearance sales and a favorable product mix shift.

The growth in gross profit and 210 basis points of expense leverage, resulted in a 208.5% increase in pre-tax income to \$671.1 million compared to \$217.6 million.

GAAP net income increased 143.8% to \$529.6 million compared to \$217.2 million. Diluted earnings per share were \$5.55 compared to \$2.82 per share in the prior year to date. Pro forma adjusted net income, which excludes the impact of certain non-cash and extraordinary items, increased 173.8% to \$571.2 million. Pro forma diluted earnings per share were \$5.98 compared to \$2.70 per share in the prior year to date.

Balance Sheet Update

As of the end of the third quarter, the Company's cash and cash equivalents totaled \$401.3 million and the credit facility had no outstanding balance. Adjusted free cash flow was \$84.4 million. Merchandise inventories were \$1.3 billion, an increase of 22.4% compared to the prior year quarter and 18.9% higher than the second quarter of 2021.

As previously reported, on September 14, 2021, Academy's largest shareholder ("KKR") sold its remaining ownership of the Company. As part of this event, Academy purchased 4.5 million shares for approximately \$200 million. Additionally, during the quarter, the Company made open market purchases of 1.2 million shares for \$50 million. Year-to-date, the Company has repurchased and retired 8.9 million shares of its common stock for approximately \$350 million. As of October 31, 2021, the Company had approximately \$254 million remaining under its share repurchase program.

2021 Outlook

Michael Mullican, Executive Vice President and Chief Financial Officer said, "The ongoing successful execution of our strategic priorities has allowed us to achieve yet another period of record-setting sales and profitability. In addition, the strength of the entire Academy team was apparent as we were able to grow our inventory position in a challenging environment. As our initiatives continue to mature, we believe the best days at Academy are still to come. In light of these exceptional results and expectations, we are raising our annual guidance."

Adjusted Net Income, Pro Forma Adjusted Net Income and Pro Forma Adjusted Earnings Per Share

We define “Adjusted Net Income (Loss)” as net income (loss), plus consulting fees, private equity sponsor monitoring fees, equity compensation expense, (gain) loss on early retirement of debt, net, severance and executive transition costs, costs related to the COVID-19 pandemic, payroll taxes associated with the 2021 Vesting Event and other adjustments, less the tax effect of these adjustments.
